

Perfect Chair®
pc610
omni-motion classic

How Do You Improve on **PERFECTION?**

The human body is naturally balanced, graceful and beautiful. The PC-610 Omni-Motion Classic gives you the power to independently position your recline angle and leg elevation. The dual-motor mechanism allows for infinite comfort positions, making this our most adjustable Perfect Chair ever. Our iconic Perfect Chair architecture features extended armrests, elongated head pillow and ergonomic lumbar support. Our zero-gravity ergonomics are still the best in the industry, and endorsed by physicians as the healthiest way to sit. Stylish design cues, premium upholstery, and comfort make it perfect for any décor. Welcome to the perfection of perfect.

INFINITE COMFORT
POSITIONS

- 

1 FULL-SUPPORT HEAD PILLOW
The comfort pillow cradles the head and neck while providing ergonomic support.
- 2 EXTENDED ARMRESTS**
The wide and long armrests give constant support even as the chair reclines into zero-gravity.
- 3 5-WAY CONTROLLER**
The intuitive 5-way omni-control on our most adjustable Perfect Chair offers infinite comfort positions with a simple press and hold for zero-gravity.

- 4 ADJUSTABLE LUMBAR SUPPORT**
The adjustable lumbar system is equipped with a release valve, allowing you to customize your seating comfort.
- 6 INDEPENDENT LEG AND BACK ADJUSTABILITY**
A revolution in zero-gravity seating, the omni-motion classic gives you dual-motor power to independently position the recline angle and leg elevation.

- 7 BATTERY SAFETY FEATURE**
Back-up battery will restore the chair back to the upright position in case of a power outage.
Batteries not included.
